

ADVICE 'A GRIP ON HAZARDOUS SUBSTANCES'

Ten Recommendations

Production of chemicals

- Oblige the use of a Track & trace system for substances and potential substances of very high concern (ZZS and p ZZS) •
- In the EU, address the need for safe use and application of substances and products throughout the entire life cycle (Safe by Design)

Incorporation in products

- Promote societal pressure to reduce the use of hazardous substances in products 6
- Stimulate the use of positive lists of substances that can be used safely
- Investigate the possibilities for introducing a material passport for the chemical composition of products [®]
